Advanced Acai's Proprietary Formula:

Acai Berry This potent purple berry stems from the rainforest of the Amazon Jungle. It's loaded with antioxidants and other nutrients that make it one of the healthiest fruits on earth. Antioxidants fight free radicals in your system that can cause health issues and signs of aging. Because acai fruit is rich in nutrients and healthy fats, it typically expires 24 hours after picked from the vine, so it cannot be sold in grocery stores.

Green Tea (as EGCG) Used for centuries for medicinal purposes in Asia and the Middle East, this ingredient is a powerful fat burner. It creates energy from stored fat and helps you burn calories at a higher rate with a boost to your metabolism.

ChromeMate® (U.S. Patent 4,923,855) ChromeMate® is a safe, potent, and effective form of chromium. It promotes balance blood sugar, blood pressure, and cardiovascular health.

Raspberry Ketones Naturally occurring in raspberries and other fruits, this ingredient has been shown to help prevent an increase in body weight with a high fat diet.

Ginseng Extract Known as a promising dietary supplement, Ginseng has been used to help boost energy levels while resisting stress, along with signs of fatigue.
