CITY COUNCIL  
HONOLULU, HAWAII

The Honorable Charles K. Djou  
Honolulu City Council  
530 South King Street, Room 202  
Honolulu, Hawaii 96813

Dear Councilmember Djou:

Subject: Request for List of Contractors and Subcontractors

In response to your letter of September 30, 2009, attached please find an updated list of contractors and the amounts for their contract terms as awarded by the Department of Transportation Services (DTS) to work on the Honolulu High-Capacity Transit Corridor Project (the Project). This list is contained in Attachment A.

Subcontractors to these firms on the Project and their contract amounts are included in Attachments B, C, and D. As a point of clarification, DTS does not award work to subcontractors.

You will note that the updated Project contractors and subcontracts are similar to the lists of Project contractors and subcontractors in my December 30, 2008, letter to you.

In addition, please note:

- Many of these contracts and subcontracts are for services rendered over several years.
- Contracts listed in Attachment C are for the ongoing EIS/PE Phase of the Project, which began in August 2007.
- Contracts listed in Attachment D were for the Alternatives Analysis Phase of the Project. These contracts have concluded.

The Honorable Charles K. Djou
