## **THE NIXON ADMINISTRATION IS NOT ENDING THE WAR**

### **ONLY PEOPLE IN ACTION CAN END THE WAR JOINT TREATY OF PEACE**

#### **BETWEEN THE PEOPLE OF THE UNITED STATES, SOUTH VIETNAM AND NORTH VIETNAM**

*Be it known that the American and Vietnamese people are not enemies. The war is carried out in the names of the people of the United States and South Vietnam but without our consent. It destroys the land and the people of Vietnam, it drains America of its resources, its youth and its honor.*

We hereby agree to end the war on the following terms, so that both peoples can live under the joy of independence and can devote themselves to building a society based on human equality and respect for the earth. In rejecting the war we also reject all forms of racism and discrimination against people based on color, class, sex, national origin, and ethnic grouping which form the basis of the war policies of present and past United States governments.

1. The Americans agree to immediate and total withdrawal from Vietnam and publicly set the date by which all U.S. military forces will be removed.
2. The Vietnamese pledge that as soon as the U.S. government publicly sets a date for total withdrawal: They will enter discussions to secure the release of all American prisoners including pilots captured while bombing North Vietnam.
3. There will be an immediate cease-fire between U.S. forces and those led by the Provisional Revolutionary Government of South Vietnam.
4. They will enter discussions on the procedures to guarantee the safety of all withdrawing troops.
5. The Americans pledge to end the imposition of Thieu-Ky-Khieu on the people of South Vietnam in order to insure their right to self-determination and so that all political prisoners can be released.
6. The Vietnamese pledge to form a provisional coalition government to organize democratic elections. All parties agree to respect the results of elections in which all South Vietnamese can participate freely without the presence of any foreign troops.

7. The South Vietnamese pledge to enter discussion of procedures to grant independence to those South Vietnamese who have collaborated with the U.S. or with the U.S.-supported regime.
8. The Americans and Vietnamese agree to respect the independence, peace and neutrality of Laos and Cambodia in accord with the 1954 and 1962 Geneva conventions and not to interfere in the internal affairs of these two countries.
9. Upon these points of agreement, we pledge to end the war and resolve all other questions in the spirit of self-determination and mutual respect for the independence and political freedom of the people of Vietnam and the United States.

*By ratifying this agreement, we pledge to take whatever actions are appropriate to implement the terms of this joint treaty and to insure its acceptance by the government of the United States.*
